## 2) Complaints

The NDIS Commission manages complaints in connection with supports and services delivered by NDIS providers and their workers. Anyone can make a complaint to the NDIS Commission about an NDIS support or service.

**The NDIS Commission received 4,155 complaints during the reporting period.**

### Number of complaints received by state/territory

Note: The NDIS Commission has revised reporting methodology. Complaints received count now includes matters that fall outside of the NDIS Commission's regulatory scope (for example, eligibility for NDIS funding). The NDIS Commission manages out of scope complaints through the provision of information and referrals to appropriate agencies.

### Percent of complaints received by primary complainant

### Issues raised by complaints received in the period are grouped as follows

(may not equal 100% due to rounding)

### 3) Registrations

The registration of NDIS providers aims to ensure the provision of safe and quality services, by having providers meet quality and competency standards proportionate to the risk attaching to the type of service delivery and the scale of the provider.

#### Registered providers

# 4) Reportable Incidents

Registered NDIS providers are required to notify the NDIS Commission of certain serious incidents, including allegations that occur in connection with the provision of NDIS supports and services.

## Number of Reportable Incidents received during reporting period

(excludes Unauthorised Restrictive Practices)

5,691

Providers indicated that Police were informed in relation to 970 incidents notified during reporting period

Note: The number of reports received does not correlate to the number of actual instances of harm to a person with disability. Reports may include multiple notifications of the same matter, allegations of incidents, and situations where incidents occurred, but harm to the person was avoided.

### 5) Unauthorised Restrictive Practices (URPs)

A restrictive practice is any practice or intervention that has the effect of restricting the human rights or freedom of movement of a person with disability. NDIS providers are required by law to ensure that restrictive practices are only used as a last resort, and in the least restrictive form.
