# 1. Function

## Purpose of the Commission

The NDIS Quality and Safeguards Commission's (NDIS Commission) role as regulator of the National Disability Insurance Scheme (NDIS) is to uphold the rights, safety and wellbeing of NDIS participants. We do this by regulating and registering NDIS providers and workers, and working with people with disability, providers, workers and the community to make sure participants have access to high-quality supports and services in safe environments, with choice, control, and dignity.

## Purpose of the Sector Consultation Forum

The Sector Consultation Forum (the Forum) is an independent forum that provides the Commission's leadership with sector wide regulatory and operational insights on the delivery of NDIS services and supports, in accordance with Chapter 6A, Part 2 of the National Disability Insurance Scheme Act 2013 (the Act).

The Forum will strengthen decision making and policy development by:

- providing real time provider and market insights
- enabling the Commission to draw on sector knowledge, experience, and real time evidence.

## Scope of the Forum

Specifically, the Forum will:

- Inform the Commission of the state and health of the provider sector
- Provide independent, practical advice on regulatory practice, market stewardship, provider readiness and risks to quality and safety
- Consider and respond to sector insights provided by the Commission, including complaints, incidents, market signals and trends
- Advise on the potential impacts of regulatory reforms
- Identify and highlight upcoming issues requiring strategic focus from the Commission.

## 2. Membership

### Composition

The Forum will comprise up to 20 members appointed by the Commissioner and Associate Commissioner for a term of up to 24 months.

### Selection Criteria

The Forum will embed inclusive practice and cross sector representation to ensure comprehensive, forward-looking advice.

This includes a broad range of service types, advocacy groups, professional disciplines (including workers), geographic locations and community focused organisations.

### Diversity and Inclusion
